

GUIDED VISIT TO SYON HOUSE 2pm, Wednesday 25 June 2025

Syon House is the London home of the Duke of Northumberland, a Grade I listed building set in the impressive grounds of Syon Park designed by Capability Brown. The house was built on the site of a medieval abbey and came into the ownership of Henry Percy, the ninth Earl, in 1594. It has remained in the Percy family ever since and they continue to live there when in London. Syon has seen a great deal of history and profound changes over the centuries. The present interiors were created by Robert Adam in 1762.

Our 75-minute guided visit will cover the main reception rooms on the ground floor. Before or after the tour, there is a restaurant (booking recommended; 020 3848 4323; gc22restaurantmanager@hillier.co.uk), café and garden centre as well as the Great Conservatory, the 200-acre park, gardens and meadows down to the Thames. The site is fully accessible.

There is a large free visitor car park (postcode TW7 6AZ). We hope some of those attending will drive and be able to offer lifts to others, which will be coordinated by our visits organiser. Syon can also be reached by rail, Underground and bus. See syonpark.co.uk/visitor-information/#how-to-find-us or citymapper.com/go/r5zjcn?lang=en.

Please meet at the entrance to Syon House in time for the 2pm start of our guided tour. The cost is £13.50 for those 60+, £15.00 for others.
